	6	Thursday	Mainstream Classes	
	7	Friday	English Classes	Sports Activity (e.g. Beach)

Study tour participants have the opportunity to learn English, spend time in an Australian classroom, gain first-hand understanding of Australian culture and, most importantly, make Australian friends. Our study tours are customised to meet each group's objectives. The study tour experiences will include English lessons, mainstream classroom integration, sport, cultural activities and excursions. Our study tour groups offer the opportunity for students to live on premises at the school as our company works with a number of Boarding schools across Australia. The cost is per student and will be variable and will be dependent on the number of students, accommodation type and inclusions.
